The Boo Edition

October, 2009

## Welcome

to the 29rd Season of "Ta-Da" Productions Dance Studio. We will be using this newsletter to keep you informed of all the news concerning your dancers at the studio. Some of the information may seem redundant to returning students and parents but please take the time to read the newsletter each month. There will always be new information squeezed into each edition.

The last week of October will be haunting at "Ta-Da". All dancers are encouraged to wear a Halloween costume to their last class of the month. **BOO!**

## Parking

Like all downtown businesses we are always thinking about parking. Unlike most of our downtown neighbors parking is not a problem at "Ta-Da". You just have to know where to look.

Our classes begin at 4:00 each day. The Overpark structure where we are located, has 5 levels of parking and the first hour is free. Each additional hour is 75 cents. After 6 pm all parking is free. Add your free hour and you can park all night after 5. The entrance to the parking structure is on Oak St. just north of 10th. In past years we were able to park at the bank lot just south of the studio. The new owners are charging \$2 after 5 pm.

## On The Road Again...

**TA-DA Company Dancers at Debbie Allen Dance Academy**

This past July the Ta-Da Dance Company traveled to California for performances at San Francisco's Fisherman's Wharf & Disneyland. This was our 20th Summer touring the U.S.A. and without doubt the best trip ever!

July of 2010 we planning a performance trip to Hawaii. For the Summer of 2011 we have been invited to bring our Dance Company to New York City for performances and dance workshops.

There are open auditions for our Dance Company coming soon. This will include our All New "BEAT" Adult Hip Hop Company. Check our web site for more info. [TADAdance.com](http://TADAdance.com)

## Studio Etiquette

This is a subject very near and dear to the directors heart. There are a few rules you must follow while at the studio. Our goal is for each and every dancer to have a positive experience at the studio.

- 1) Never enter the classroom after class has begun without permission.
- 2) No gum chewing at the studio.
- 3) While in class don't socialize. The teacher is the only one talking unless you have a question.
- 4) Always be dressed in appropriate dance clothes and shoes.
- 5) If you need to leave the classroom ask permission.
- 6) No food or drink allowed in the studio except water.

All of these rules are in place to assure all our dancers get the most out of each class. We are asking the parents to please review these rules with their dancers.

**Please Remember to put your Dancer's Name on the memo line of your Tuition checks.**

## Sweatshirts

We will be placing orders for personalized "TA-DA" Hooded Sweatshirts in October. Order forms will be available at the studio. These shirts will be available in both child and adult sizes. They're warm and cozy. Great Gifts!

## Dance T's

Each dancer will receive an "I Heart TA-DA" T-Shirt with their paid registration fee. Families with more than 1 dancer will only be receiving 1 shirt. If you would like to purchase additional shirts they cost \$20 each while supplies last. The t-shirts will be at the studio my mid October.
