

## About "TA-DA"

**Patti DeBaldo** is the Founder & Director of "TA-DA" Productions Dance Studio. Over the past 30 years, Patti has guided TA-DA through an evolutionary process by keeping her finger on the pulse of the youth of our community. "Dance is an ever changing blend of music and movement. As music styles reflect the kids of today, so should dance." With this formula, Patti has challenged her students to reach beyond their perceived abilities and find their inner dancer. Her goal is simple. "To Build Self Esteem through the Sport & Art of Dance".

The past 24 summers Patti has brought her best dancers to perform on the road. These venues include Pearl Harbor Hawaii, Disney World's Epcot Center & Magic Kingdom, Universal Studios, Disneyland, California Adventure, Knotts Berry Farm, Anaheim Angels Baseball, Fisherman's Wharf San Francisco & New York City. And closer to home, The Portland Rose Festival, Portland Trail Blazers Half Time, The Festival of Trees, the Eugene Celebration, Duck & Beaver ½ Time Shows & The Lane County Fair.

## The Studio

The studio is located inside the beautifully re-modeled US SportsPlex facility in West Eugene. Our dancers and family members have complete use the modern locker rooms that include hot-tub, sauna and showers. You will also enjoy the big screen TV, leather couches, and juice bar in the lobby. In our brightly lit studio we have a "Floating Dance Floor" to reduce the chance of injury to our students and 40 ft. of mirrors so all the dancers can watch and learn.

All our students will have several opportunities to perform throughout the year.
