

About "TA-DA"

Patti DeBaldo is the Founder & Director of "TA-DA" Productions Dance Studio. Over the past 28 years, Patti has guided TA-DA through an evolutionary process by keeping her finger on the pulse of the youth of our community. "Dance is an ever changing blend of music and movement. As music styles reflect the kids of today, so should dance." With this formula, Patti has challenged her students to reach beyond their perceived abilities and find their inner dancer. Her goal is simple. "To Build Self Esteem through the Sport & Art of Dance".

The past 20 summers Patti has brought her best dancers to perform on the road. These venues include Pearl Harbor Hawaii, Disney World's Epcot Center & Magic Kingdom, Universal Studios, Disneyland, California Adventure, Knotts Berry Farm, Anaheim Angels Baseball, Fisherman's Wharf San Francisco & New York City. And closer to home, The Portland Rose Festival, Portland Trail Blazers Half Time, The Festival of Trees, the Eugene Celebration, Duck & Beaver ½ Time Shows & The Lane County Fair.

The Studio

The studio was built with our parents as well as our dancers in mind. We have over 150 sq. ft. of windows for you to watch class from our comfortable lobby. In our brightly lit studio we have a 1350 sq. ft. "Floating Dance Floor" to reduce the chance of injury to our students and 50 ft. of mirrors so all the dancers can watch and learn.

All our students will have several opportunities to perform throughout the year including our Annual Spring Performance at the Hult Center in Eugene.
